

Roadmap for AIDS 2024

Developed by the IAS Community-Led Monitoring (CLM) programme

Welcome to AIDS 2024 - the 25th International AIDS Conference! In these pages, you will find a compilation of pre-conferences, satellites, abstracts and posters focused on and relevant to CLM, extracted from the conference programme. We hope that this document will serve as a navigation tool, facilitating access to relevant information and active participation in the AIDS 2024 conference.

* All times are in Central European Time (CET / UTC+1)
